Genext is a WA State O6 Electrical Contractor; Bonded and Insured, License #: GENEXL*962M3. All prices plus tax and permit if applicable. Subject to change. *"Value Installation" subject to Genext's sole discretion; generally, custom "wall-fishes" or challenging structures do not apply. Outlet price is based on 45 minutes maximum and includes standard pass-through or surface mount equipment and 75-feet of cable. Pricing subject to geographic limitations. This pricing is illustrative. Refer to Service/Work Order and Agreements for Terms & Conditions. **"Minutes Free" is one time. "Custom" and "Value Added Services" must be scheduled in advance. Discounts do not apply to contract work.

Bottom line, we have skilled electricians and technicians who will do a good job at a fair price. If you prefer custom installation and explicit attention to detail, we would be happy to dispatch specialists for onsite consultation, installation, programming and service at prevailing rates.
